

## IMPORTANT: Note to Schools

Your school is receiving a visit from the Life Education Centre mobile classroom.

Attached to this note you will find a letter to the parent / carer. We would be grateful if you could duplicate this letter and send one home with each child. Parents who want to attend a parents' session and/or order one of our Family Workbooks can fill in the tear off-slip at the bottom of the letter.

Children then return the slips to the schools with £1.70 for each Family Workbook. A CD and Harold zip-tag are also available.

All cheques or postal orders with the parents order should be made payable to your school.

On return of the parents' orders you write down the total number of books you require on the fax-back form provided against each year group plus any other items and write a cheque for the total amount to 'Life Education Centres'. We provide a discount to schools of £10 for orders totaling over £85 and £20 for orders over £170.

Either fax the completed order to us by post (address details on the fax-back form) or via email to [Rebecca.Baker@lifeeducation.org.uk](mailto:Rebecca.Baker@lifeeducation.org.uk)

If you have any queries, please do not hesitate to contact us on 0207 520 0364.

Many thanks for your interest,

## *'Helping children make healthy choices'*

Dear Parent / Guardian

Life Education Centres provide health and drug education for Primary Schools. We aim to help children develop the confidence and thinking skills needed to make informed health choices.

We bring a fully equipped mobile classroom to the school where children take part in an age appropriate session. All programmes link with and support the National Curriculum and are taught by trained educators. The children explore a range of health related issues such as hygiene and healthy eating, managing emotions and keeping safe. In the junior years children will explore of the use and effects of tobacco, alcohol and other substances.

The classroom is designed to give the children a very positive and memorable experience. The classroom features a number of electronic devices, such as a full size model of the human body, a fibre-optic star ceiling, an interactive talking brain and specially designed audio-visual materials. The children also meet Harold our happy, healthy singing giraffe.

Family Workbooks are now available as an ideal back-up material to enhance your child's understanding of the programmes taught in the Life Education Centre. Each age range has its own specific colourful, fun and informative book. Please complete the form below if you would like to make an order and enclose the correct amount (£1.70 per book)

There is a also a 'Harold's Greatest Hits' CD available for £4.60 and Harold zip tags for £1.00 each.

We are visiting your child's School on Wednesday/ Thursday January 11<sup>th</sup>- 12<sup>th</sup> 2017 at **The parent's session will take place on Wednesday 11<sup>th</sup> January at 2.45 – 3.00 pm. If you wish to attend the parent's session to find out more, please complete the slip below and return it to the school office.**

The session will take place in the mobile classroom, which will be parked in the school grounds.

Many thanks

Anita Collins (Educator)

---
