22nd February 2018

Dear Parents/Carers

We are excited to be able to invite you to join the ClassDojo system that we have recently launched in school. The ClassDojo system allows us to instantly share messages, photographs and videos from class that will give you an insight into what your child has been working on during the day. This will replace the school's Twitter feed which will no longer be updated. Reception will still be using Tapestry for the majority of their sharing, if you are a Reception parent please continue to look at this.

You will have access to Whole School Story, Class Story and your child's Individual Story. Each story is visible to a different group of parents. Whole School Story is visible to all, Class Story is only visible for the class your child is in and only you can see your child's individual area. The Class Story area is the one that will be used the most and will offer a fantastic overview of school life. Within school, your child is able to add to their own Individual Story but any posts they make have to be approved by the class teacher before being published.

Please follow the instructions on the separate sheet of paper to complete the set-up process. You will have the option of setting up an account for your child but this is not essential for the continued use of the system. The ClassDojo works best via the app but it also works via a web browser. If you download the app and allow notifications you will be told when new content is available.

Unless you advise us otherwise, we will assume you consent to your child's use of the system. Any children who have previously been added to the Media Consent Restrictions list will not be included in photographs added to School or Class Story. If you choose not to join the ClassDojo system this will not prevent your child accessing the elements used in school.

We hope you will find this an exciting and insightful new addition to the methods of communication at The John Moore Primary School. Do contact your child's class teacher if you have any further questions.

Yours sincerely

Tim Blakey
Deputy Head Teacher
