

Phonics Pack

What is included?

- Sounds for Units 1-7 (Covered between September and Christmas)
- Phoneme frames

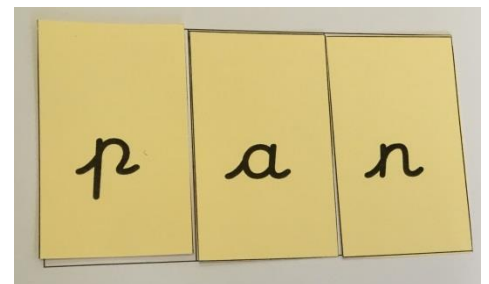

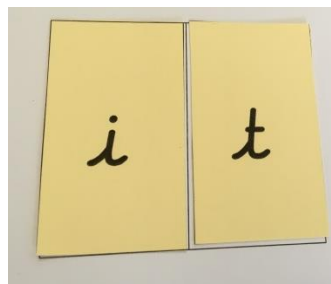

How do I use it?

First cut out the sound cards as we cover each unit in class (shared via Dojo!) and help your child to build words.

Next choose a simple word such as 'mat', display the sound cards 'm, a, t' in a random order. Ask your child to build the word using the cards, "what is the next sound you can hear?". After they have built the word ask them to, "say the sounds and read the word" (e.g. "m-a-t, mat!"). This is an activity they will be familiar with in the classroom.

Use the 2 and 3 sound phoneme frames initially. As we progress through the units, you will have more sounds to build words with.

Here are some examples:

Please come in and see us if you have any questions,

Have fun learning phonics with your child!
